

MASK DONATIONS

In the wake of the COVID-19 pandemic, migrant workers are placed in extremely vulnerable positions as they continue to work on the frontlines in essential services. MOSAIC's Migrant Workers Program continues to support workers through our outreach work, delivering kits filled with essential items and resources across Lower Mainland. This wouldn't be possible without the coordinated efforts of our valued partners and businesses within the community. We are grateful for the support of Peace Collective, an Ontario based clothing company. Their generous donation of 500 reusable face masks has enriched our outreach kits and ensures the continued safety of migrant workers working on the frontlines. Through their donation, we have been able to provide newly arrived Mexican workers with 280 face masks in preparation for their work in our local agricultural industry. Thank you, Peace Collective, for your generosity and support!
