Are you looking for a full time permanent job? Discover what manufacturing has to offer through MOSAIC's

## Fast Track to Manufacturing (F2M) Project

F2M is for young newcomers (17-29 years old) who are looking for a rewarding career in the rapidly growing manufacturing field. In partnership with Canadian Manufacturers and Exporters, participants will gain access to over 2,500 leading employers in the sector.

After only 6 weeks of online training, everyone will be offered full time positions with one of our participating employers.

### 3 weeks of career workshops including:

- Job search, resume writing and interview skills
- Canadian workplace culture and communication
- Personal goal setting and decision making
- Individualized Training and Career Plan
- Training and transport allowance

### 3 weeks of Skills Training with Canadian Manufacturers and Exporters including:

- Health and Safety\Reading Work Orders
- Schematics and Drawings
- Production Reports and Quality Assurance
- WHMIS & OFA Level 1 Certificates
- Training and transport allowance
