Message from the Prime Minister of Canada

On behalf of the Government of Canada, I would like to congratulate MOSAIC on their 45th anniversary.

For more than four decades, MOSAIC has remained committed to engaging newcomers in British Columbia and helping them to integrate into communities. As one of Canada's largest settlement and employment services non-profit organizations, they have done an exceptional job in helping newcomers navigate their new lives.

I would like to thank the incredible staff at MOSAIC for all their hard work over the years in supporting individuals from diverse backgrounds and helping to create a more inclusive and better Canada for everyone.

Please accept my best wishes for a wonderful celebration!
